Track II Application Checklist

Application

Project Narrative:

- 15-page limit including an Executive Summary of no more than two pages.
- This is the heart of the application and includes the Project Workplan. Please review the NOFO for requirements including:
 - NOFO Section IV.B for what is included in the Project Narrative.
 - NOFO Section V.D for the evaluation requirements for Track II grant applications.

Attachments

Attachments do not count towards the Project Narrative page limit.

Attachment A: Program Budget Template:

- A budget breakdown to show how you will spend the grant money among different categories such as salary, equipment, and indirect costs.
- See NOFO Appendix G for a sample budget template.
- Also, EPA provides detailed guidance on budget development in the [Interim General Budget Development Guidance for Applicants and Recipients of EPA Financial Assistance](#). However, applicants may use other forms instead of this template for your application as long as you include total costs per category (and specific descriptions of costs).

Attachment B: Partnership Agreement:

- Your Statutory Partnership must have a legally binding document spelling out the roles and responsibilities of the Lead Applicant and Statutory Partner.
- See NOFO Section III.A and Appendix B for requirements.

Attachment C: Indirect Cost Rate Agreement, if applicable:

- This is only required if applicable to your proposal's budget.
- See NOFO Appendix G for details on indirect costs. In general, indirect costs should not be more than 20 percent of the total grant award.

Non-profit status documentation for lead applicant and/or statutory partner:

- You must provide documentation in one of two ways:
 - Written determination by the Internal Revenue Service showing exemption from taxation under Section 501 of the Internal Revenue Service, OR
 - Written determination by the state, territory, commonwealth, Tribe, or other United States governmental entity in which the organization is located.

Tips for Applying

- Use a standard 12-point font (such as Times New Roman, Calibri, or Arial), using single spacing and 1-inch margins.

- Stick to page limits. Extra pages will not be reviewed.
- Letters of recommendation are not required and will not be reviewed.
- Tell a compelling story and be direct, concise, and consistent in your story from beginning to end.
- Keep the EPA Review Panel in mind as you write your application. They will be scoring your application using the criteria in Section V.D of the NOFO.
